FEELINGS OF! .

By: Meghan

"Rachel my love." Came a voice.

She pulled on the sleeves of her maroon satin dress. It was hot. She was trapped in the tippest point of her fathers castle. Held hostage by a wicked witch. She rapped on the bars on the window.

"Oh, help me o thou knight in shining armor. Come rescue me!"

"Your wish is my command, yon fair maiden!"

Rachel sighed. Her prince has come. No if only he'd take off his mask!

All at once she heard a rapping at her door. The knight burst in, and grabbed her! They ran down the flights of stairs. Each one rose up after the other.

At the bottom, the wicked sorceress's army came up.

After a great battle, they left. Leaving Rachel, and killing her prince.

"No," She whispered. If only she knew!

"'Tis no loss greater than the loss of a mystery love! I shall unmask

my prince and be forever content!" She slowly lifted the mask. Wishing and knowing to see the face of Tobias she saw, dark brown hair, her eyes, fair skin, red lips, the perfect replica of the human morph of-

"Ax?"

Her alarm went off. Alarm? It was dream?

A bird chirped in the silence. Rachel was asleep. It awoke her. She rubbed her eyes free of sleep. And yawned. The morning was here. No more dreaming. She was puzzled by her dream. And the face. Ax?

She had been dreaming of him a lot lately.

She was sick. She couldn't even eat her Honeycombs.

Ax was asleep. And dreamingâ€|

Help me! He cried.

"Here I come!" Cried a girl's voice.

Ax was dreaming he was captured by the Yeerks. They were about to make a Controller of him when Rachel showed.

Rachel?

"Hold on!" She kicked the Hork-Bajir. She was extremely strong for a human.

She freed Ax.

"Now to take care of Visser Three!"

Rachel what are you doing? But she had Visser Three held hostage by a Dracon beam.

As soon as they were out, Rachel asked "Are you okay?"

I'm fine.

"Ax, I've always wanted toâ€| " She kissed Axâ€|

Ax woke up. What a nightmare! He exclaimed.

Ax didn't like Rachel. As a friend yes, but in that way, no.

Later that day, Ax morphed to human. He was going to get a cinnamon bun to take his mind offâ€| the dream.

Also later that day Rachel went to the mall. She was going to go shopping to take her mind offâ€| the dream.

Rachel spotted Ax through the glass windows in the Gap.

Ax spotted Rachel shopping in the Gap.

Rachel ran out of the store.

Ax ran too.

Then they met up.

Bump! They collided.

"Ahhh!" Screamed Rachel.

"Ahhh!" Screamed Ax.

"Rachel I need to-"

"-Talk to you about something," Rachel finished.

He helped Rachel up. She brushed his hand away.

"Uh, let's go discuss it over pizza."

So they went to the food court and ordered an extra pepperoni.

"Ax, lately I've had dreams about you."

"Really? Illy. So have I. I."

"There was this dream and "oh I can't stop thinking about you!"

"I had, ad, a very strange dream too. Tu-oooh."

Rachel reached for the last slice of pizza. He hand touched Ax's.

"Rachel, are we more than friends? Ends?" Ax asked.

"I've often wondered that too. We're both the boldest," Rachel said.

"Boldest. Oldest. Est," Ax confirmed.

Rachel sighed.

"Rachel, when I'm in human morph, I see you're very beautiful."

Rachel stood up. "Well, best better be heading home."

"Good bye."

We do not have feelings for each other. We are friends, Ax thought as Rachel walked away. In this morph her noticed things too.

She was beautiful. But she and Ax did not have romantic feelings for each other.

She's so beautiful. But she loves Tobias, Thought Ax. Ax certainly felt a special connection with Rachel.

One he could never tell her.

And in the farthest niche of her brain, she felt a special connection with Ax.

One she could never tell.

But for now they could keep dreaming.

And disregard that feeling of love.

Or can they?

There may be a sequel! Okay I don't want to split up T/R, I love T/R.  
This is just a speculation. :)
